Gastric disease is always the quite stubborn disease, very difficult to cure, can only the nutritional therapy, in addition the small dosage auxiliary medication. 40 year-old man, may not by any means overeats and overdrinks again, abandons the stomach in not to attend to!

Old person sickness

Sounds backache backache is senior citizen's problem probably, but the present over 40 year-old men possibly have this symptom existence. If you are engaged in stand the work, if you rest the posture to be bad, for instance the nest goes to sleep soundly in the small sofa, possibly lets your lumbodorsal region receive suffers.

Recovery doctor suggested that may make some small physiological loads of exercise from the very beginning the exercise, for instance extension movement and featherweight weight lifting; May also please massage the teacher to make the back massage for you; If is more serious, considers to take a drug again.
